The United States and the State of California—on its own behalf and on behalf of the named Plaintiff States—having declined to intervene in this case, the United States, the State of California, and the qui tam plaintiff The Sam Jones Company, LLC (the "Relator") stipulate that the Complaint, any Amended Complaint, the February 12, 2021 Notice of Declination, this Stipulation, and the accompanying proposed Order should be unsealed. The United States, the State of California, and the Relator further stipulate that all other papers filed or lodged to date in this action since the filing of the Complaint should remain permanently under seal because such papers were provided by law to the Court alone for the sole purpose of discussing the content and extent of the United States' investigation, and, thereby, evaluating whether the seal and time for making an election to intervene should be extended. All papers hereafter filed or lodged in this action should not be sealed.

A proposed Order accompanies this Stipulation.

¹ As noted in the Notice of Declination, the Maryland False Health Claims Act provides that "[i]f the State does not elect to intervene and proceed with the action . . . before unsealing the complaint, the court shall dismiss the action." Md. Code Ann., Health Gen, § 2-604(a)(7); see also United States ex rel. Dan Abrams Co. LLC v. Medtronic, Inc., No. CV15-01212-JAK-(ASx), 2017 WL 4023092, *12 (C.D. Cal. Sept. 11, 2017) (unpublished). Accordingly, because the State of Maryland has declined to intervene, all claims asserted on behalf of the State of Maryland should be dismissed without prejudice.
